The Thirst Project

We are committed to doing what we love "dance" to undo what we hate "waterborne illness & thirst in the world". It is truly a crisis in which we hope to bring a "drop" of sustainable change and awareness too.

Please consider joining our "thirst-no-more" team, and give the gift of water that will keep on giving.

The Thirst Project

Dancing for Joy, along with Jubilee Dance Company, has been committed to raising money/awareness for building fresh water wells for communities without clean water for over 10 years. We have successful funded 10 clean water projects, and are working towards our 11th. With your help and continued support from our DFJ Community, we are providing clean water to those without it. Each well provides a community of 250-450 people clean drinking water. We are committed to doing what we love "dance" to undo what we hate "waterborne illness & thirst in the world". It is truly a crisis in which we hope to bring a "drop" of sustainable change and awareness. The cost to build a well ranges from \$11,000-\$12,000, and 100% of your donation will go towards building a well. Thanks for your consideration in helping our world water crisis. If you donate \$25 or more, we will give you a DFJ Mug as a token of our appreciation for your support and donation.

You can also join our campaign @ <http://my.thirstproject.org/thirstnomore>

Photography and Videorecording are not permitted during the show.
Please be courteous to DFJ, Mount Baker Theatre, & those around you.
