The Thirst Project

Dancing for Joy, along with Jubilee Dance Company, has been committed to raising money/awareness for building fresh water wells for communities without clean water for over 10 years. We have successfully funded 11 clean water projects and are working towards our 12th. With your help, and continued support from our DFJ Community, we are providing clean water to those without it. Each well provides a community of 250-450 people clean drinking water. We are committed to doing what we love---dancing--- to help eliminate what we hate: waterborne illness & global thirst". It is truly a crisis in which we hope to bring a "drop" of sustainable change and awareness. The cost to build a well ranges from \$11,000-\$12,000, and 100% of your donation will go towards building a well. Thanks for your consideration in helping our world water crisis. If you donate \$10 or more, we will give a free coffee voucher redeemable at our coffee shop as our appreciation for your support and donation.
